We grind full flower to the perfect consistency for the perfect burn. Then, our proprietary infusion process pumps up the potency for the perfect punch, every time.

LEMON HAZE

Lemon Haze is loud, tangy and delicious. The sweet, sour notes burst onto the tongue immediately on inhale and the impact of tasty lemon zest persists through each exhale.

BANANA CREAM

Banana Cream is impressively rich while maintaining an elegant balance of banana and creaminess. The banana flavor finishes with a pleasantly smooth cream note.

BLUEBERRY

The remarkably ripe fruit flavor of Blueberry is enhanced by sweet and sugary notes, creating an experience that is sure to bring to mind your favorite blueberry dessert.

GRAPEVINE

Grapevine is the juicy, sweet grape flavor that we all recognize. The essence of each pull is highly expressive, lingering, and succulent.

FOR EXPERIENCED CONSUMERS ONLY

A single 1.25g pre-roll has more THC than an Elite Disposable Vape by The Clear. If your customer is an infrequent or light user, please recommend they "start low and go slow."
